HECTOR LOW

Here's some of what has been happening lately at Old Mill:

Welcome to our brand new quarterly newsletter! We are thrilled to share with you the latest news and developments from within Old Mill!

First and foremost, we would like to once again congratulate Head Vet & Owner, Hector, on 35 years of owning the practice. We celebrated his anniversary in May but an achievement like his should be praised at every opportunity!

Next up, we would like to wish Alan Smith (Senior Vet), wife Maggie and daughter Jessica the best of luck on their big move to New Zealand! We know they are just going to love their new life. We will miss you!

In other news, vet Guillermo, has a lovely little puppy called Alba. She is a black and white parti Whippet and is just a bundle of loveliness. Be sure to say "Hola" to Alba if you see her!

In May, Hector attended his university's 40th Reunion. A great weekend with a formal dinner and dance took place and was thoroughly enjoyed by all.

A few months ago we said goodbye to vet Alissa, who has moved to the mainland with her partner and two cats. We wish her well in all of her endeavors!

You may have seen a few new faces at the practice lately, we have had a couple of locums here for longer periods and we have just welcomed a new, permanent vet. Welcome to the team Eilidh! Eilidh joined us in June and has enjoyed getting stuck in to work here on Lewis.

We hope you have enjoyed reading our news, we'll check in with you again in December.
